

TAKE BACK YOUR RIGHT TO VOTE!

***A County Commission elected by the minority is unlikely to be responsive to the majority. Let's return control of Lee County government to ALL VOTERS.***

**No one should be denied the right to vote!**

- Currently it is possible to close the election of OUR Lee County Commission to almost 60% of registered voters.
- This is wrong and must be fixed.
- A group of community leaders called LEE VOTER FREEDOM will introduce an amendment to the Lee County Charter to make OUR Lee County Commissioners nonpartisan officers, elected by ALL VOTERS.
- The amendment will allow ALL REGISTERED VOTERS to vote in the primaries regardless of their political affiliation.

**We need your support.**

Lee Voter Freedom Political Action Committee (LVF-PAC) is a nonpartisan group that will introduce an amendment making Lee County Commissioners non-partisan officers elected by all voters.

In order for our voices to be heard, we need to collect 40,000 signatures in support between October of 2017 and March of 2018. Once approved by the Board of County Commissioners, the resolution will appear on the November 2018 ballot, for voters to approve.

**Can you help?** We need volunteer precinct captains and petition collectors. We estimate this campaign to return Lee County government to all voters will cost in excess of \$150,000. We need your contributions.
